

# Hetton Lyons Angling Club.

**HLAC**

## MEMBERSHIP / DAYTICKET COST 2024

To fish on any water in the UK you still require an EA Licence, which can be purchased directly on the gov website.

This licence is not just to fish our club waters but throughout the UK. When fishing club waters anglers must be in possession of a current Environment Agency Rod Licence, and be able to present it to a bailiff if requested.

To fish HLAC club waters you will require either a day ticket or a membership.
