

## Hetton Lyons AC Match Rule Book

- 01) Do not put any bait in the water at all until the start time of the match. All lines out of the water at the end of the match ready for weigh in.
- 02) Two keepnets to be used 1x Carp, 1x silvers (Carp allowed in keepnets only in matches only)
- 03) You must not move from peg to peg to fish, once you draw a peg you must stay on that peg for the duration of the match.
- 04) Any angler that gets off their peg to wander around (without justification) during a match will be disqualified from the match. (Don't leave bait in the water unattended).
- 05) One line ONLY allowed at any one time in the water, using multiple rods will get you disqualified. (You can set up as many rods/poles as you need though).
- 08) Barbless hooks only, anyone caught using micro barb / barbed hooks will be disqualified.
- 09) Be respectful to your neighbour angler[s]. Don't be loud.
- 10) No unfair methods to catch fish e.g. spinner, live baiting / bloodworm.
- 11) If the end of match has been called and you are playing a fish you MUST shout 'FISH ON' and you will have 10 mins to land it otherwise it won't count.
- 12) Only certain pegs will be island chuck pegs, you will be told on the draw if it's an island peg.
- 13) All litter to be taken home after the match.
- 14) Only certain pegs will be able to throw a feeder to the island. These pegs will be outlined on the match draw sheet and you will be told upon peg draw if it's an island peg.
- 15) No seat boxes are allowed in the water. They must be on a peg.
- 16) Final results will go by weight for first, second and third place for winnings. Do not tip your fish back until they have been weighed. (Keep your keepnet in until someone has been around to weigh).
